

An open letter from Willie Brown
December 2016

Dear Friends,

My sincere thanks to those of you who attended the Friends of the San Francisco Film Commission Kick-Off Party in support of our 1st Annual Tribute Dinner. For those of you who were unable to attend, you missed a great evening of fun at the Fairmont where comedian Will Durst entertained guests followed by a reel of acclaimed films shot right here in San Francisco.

I was pleased to serve as the Keynote Speaker for a cause that is near and dear to my heart. Friends of the San Francisco Film Commission has got it right. If we pitch in, together we will attract more film and television to our city, create thousands of jobs, and support local businesses.

As I said at the Kick-Off Party... **“We need your help, this Organization is as important to San Francisco as any other cultural organization in the City.”** The work of Friends of the San Francisco Film Commission will not only stimulate the local economy but will also help to promote San Francisco as one of the premiere tourist destinations in the world.

I am cordially inviting you to what I expect will be a memorable Tribute Dinner in honor of the great Film Producer, Director and Writer – Chris Columbus. Chris will be the first recipient of the new ***Robin Williams Award for Excellence in Entertainment***. We will feature excerpts from Chris’ films and a special tribute to the late Robin Williams.

Please join me, Lt. Governor Gavin Newsom and other supporters of Friends of the San Francisco Film Commission on February 9, 2017 at the Fairmont Hotel Gold Room. To purchase a table or limited individual tickets please contact us at friendsoffilmsf.org or call 415-352-8881.

Sincerely,

Willie L. Brown, Jr.
